A sheep, pig, and cow was in a barn that had three pens. Each of the animals had a favorite food, their own pen, and a different owner.

The owners left last week for vacation, and I need to put the animals back in their pens and feed them. Could you grab a bucket of food and give me a hand?

1. Lenore's animal enjoyed carrots and wasn't a sheep.
2. The animal who loved corn was in pen two, and wasn't the pig.
3. Noreen's animal was in pen one, and wasn't a cow.
4. The cow didn't like carrots.
